

DEW Line "Dooings"

July 2007

Editor: Col. Bruce Graham

******NEXT MEETING – Thursday, July 19th, 7:00 pm at the Hangar******

SQUADRON SIGN

The new squadron sign is up on Tradewinds Road. Check it out!

RECAP of JUN MEETING

Special thanks go out to our guest speaker Capt Cecil Hawkins (USN Ret.). Capt. Hawkins gave us a wonderful talk on his experiences as a Naval Aviator flying such aircraft as the AD Skyraider in the 1950's to modern jet aircraft through the 1970s, carrier operations, and being the captain of a US Navy warship. If you missed the meeting, you missed a great presentation!

DEW LINE “DOOINGS”

WEBSITE INFO

The squadron has a website up and running. The address is www.caf-dewline.org . If you have any photos, news, information or stories, please contact a staff member to get your information on the website. The more the website is used by the Squadron, the better it will get. The better the website gets, the more we will use it and the more valuable it will be for us.

SQUADRON BUSINESS MEETINGS

The staff would like to remind all squadron members that the squadron business meetings are held the first Saturday of every month at 5:30 pm at the CAF hangar. **All members are welcome and encouraged to attend.** The meeting is not exclusive to staff members only. Please come to the meetings, make known your views and get involved!

Due to the holiday, the July Business meeting will be held at 6:00 pm July 19th, prior to the general meeting.

WTW C-45 PROJECT

The last work date was held Saturday, June 2nd in Guymon. Check out the Dew-Line website for the latest update. Please contact Col. Jowell for details of the next work date if you are interested in helping out.
